

## Wynspeak: Founder's Introduction

---

On behalf of the Wynspeak Planning Committee, welcome to our Website!

- Wynspeak was created in 2003, starting with a pilot program with just 2 competing schools, to assist students to develop effective Public Speaking skills in front of live audiences.
- Wynspeak has grown enormously with over 100 students from around 35 colleges in the Western Region of Melbourne now competing annually for cash prizes and trophies.
- We currently hold 8 preliminary rounds in multiple venues with the Final held at Thomas Carr College Performing Arts Centre. These are held between late April until the first week of June each year.
- The Wynspeak Planning Committee comprises members of Rotary Hoppers Crossing and Apex, supported by partners from the Rotary Clubs of Caroline Springs, Melton and Altona City and with adjudication support from Toastmasters International.
- Wynspeak also has an active Facebook page which you can apply to join.

We hope you find the information and stories on this website useful and enjoyable!

Best wishes

Des O'Shanassy

Founder and Inaugural Wynspeak Chair
